

Chryston Community Council

Minutes of meeting held on 22nd December 2025 at Chryston Parish Church

Attending – Brian Elder (Chair), Collin Little, Norma Corrigan, Stuart Dallas, Tommy Echlin, Danielle Harris, Brian Rice, Mhairi Robertson, Maureen Santosh, Alex Taylor.

Guests – Cllr. Williams, Carole Henderson.

Apologies – None

Chairman's Remarks – The Chair thanked the members for their continued support and hard work throughout the year.

Minutes of previous meeting – Adoption was proposed by N. Corrigan and seconded by C. Little.

Business Arising – The Keep Left sign has not yet been replaced. Cllr Williams has reported this again.

Secretary Report –Invoices for domain and hosting services have been forwarded to the Treasurer. LPPs from neighbouring community councils have been circulated to the members. Reports of ongoing problems in Mollinsburn were also circulated.

Planning – Nothing new reported. Work on the Heathfield development is ongoing.

Finance – M. Santosh presented the monthly accounts. S. Dallas reported that he had received confirmation of a successful grant application. M. Santosh will confirm it has been received.

Northern Corridor Community Volunteers – S. Dallas reported on grant applications, one successful and another pending, which will cover the cost of large planters to be placed around the village.

The Gala Committee will maintain the Christmas tree during the festive season; the NCC Volunteers will take over care of the tree outside this period.

Cllr. Williams has reported the fallen trees in Moor Park.

It was noted that the volunteers hold the “resilience kit” (snow shovels, torches, gloves, etc).

Community Police Report – No report received.

Roads and Lighting – Traffic volume continues to present problems in the area, with several complaints being received. It was noted that improved signage could alleviate the problem by directing traffic bound for Gartcosh to exit at Moodiesburn, instead of directing it through Muirhead. Cllr. Williams has requested a meeting regarding traffic volume and potential solutions.

A. Taylor reported that fly-tipping is a problem on Drumcavel Rd – Cllr Williams has offered to report this.

It was noted that trees have been removed and 2 large sheds constructed, possibly related to the Homegrown Garden Centre. Cllr Williams has offered to verify this.

Beacon Fund – Nothing pending.

Beacon Newsletter –R. Boyd has authored the new edition of the Beacon newsletter. Pending review by the other members this will be emailed to the mailing list before Christmas.

Local Place Plan – Information gathered during the consultation phase has been processed, mapped by category and added to the work in progress. Information from Cllr. Williams regarding the library and schools area of the consultation is still to be added. It is estimated that the first draft will be available around 5th January, at which point it will be sent to the other members of the community council for review. On approval it will be circulated to the neighbouring community councils. Three weeks after this consultation it should be submitted to NLC (final delivery estimated some time in February).

AOCB – Mollinsburn resident Carole Henderson attended the meeting to report on current problems with traffic and anti-social behaviour. She raised concerns that although reports were made to the relevant authorities, no response was received and no action seemed to be taken. Ms. Henderson reported that the residents of Mollinsburn feel the area is neglected and often ignored. C. Little requested that the Mollinsburn Tennants & Residents Association email a list detailing the ongoing problems, Chryston Community Council could then request guidance from the following:

- Police Scotland / Community Enforcement Officers
- Regional Councillors. In the event that no response is received from regional councillors, MSPs could be contacted.
- DVLA

Closing Remarks – The Chair thanked all for their attendance.

Next meeting – 26th January 7:30pm at Chryston Parish Church.
